

Facility Scale Upgrades

CLOSURE & DELAYS

.....

Beginning in late August and continuing through the end of December, the county will begin construction to upgrade the scales and scale house at NCRTS in Arlington.

CLOSURE

The station will be closed to all customers for two to three days at the end of August. Dates will be posted on our website and at the station when available.

DURING CONSTRUCTION

After this brief closure, customer traffic throughout the station will be rerouted, causing potential delays, and the recycling area will be relocated on the site. Please note that during construction:

- Recycling will be limited to mixed paper, newspaper, cardboard, tin & aluminum cans, and glass bottles & jars.
- Household hazardous waste collection will be limited to used oil, filters & antifreeze.
- Yard debris & wood debris will not be accepted in the recycle area, but will be accepted as garbage at garbage disposal rates.

HOURS/ALTERNATE SITES

Regular hours at NCRTS will remain in effect during construction (except for closure dates):

- 7 am – 5 pm, Monday – Friday; and
- 8 am – 4 pm, Saturday and Sunday.

Please see the list on the back for alternate facilities to use on the days NCRTS is closed.
